

Media On Demand for eReaders

What you need:

- Frankfort Public Library card number
- SWAN Catalog PIN (default is the last 4 digits of your phone number. You can change it by logging in here: https://swanlibs.ent.sirsi.net/client/en_US/frs/)
- Email Address or Facebook Account

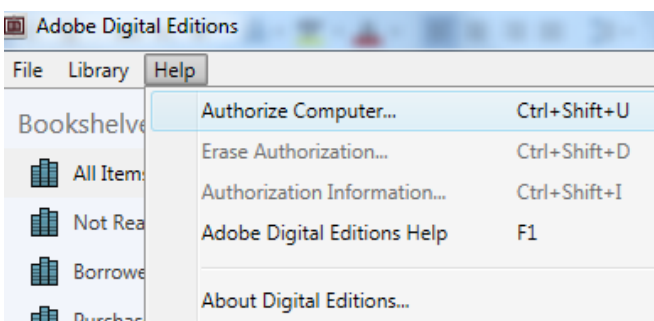

STEP 1

In order to add eBooks to your eReader, you'll need to download **Adobe Digital Editions (ADE)** on your computer. It's free.

<http://ow.ly/MFr7z>

- **Download** the latest version for your Operating System (**Windows** or **Mac**).
- **Run** the downloaded file to install it.
- Click through the Installation Set-up – All the defaults should be fine.

STEP 2

Open ADE. Click **Help**. Then click **Authorize Computer** from the menu.

- Click **Create an Adobe ID**. Adobe's website will pop up; click **Get an Adobe ID**.
- Once you've made an ID, use it to authorize your computer.

Authorize Your Device

Authorizing your device with an authorization ID enables you to easily transfer Adobe DRM protected items between your Digital Editions library and this device. **Both this device and protected content must be authorized with the same ID.**

Choose the ID you want to authorize your device with and click on the Authorize Device button:

STEP 3

Plug your eReader into your computer using the USB cable. ADE will recognize your device and prompt you to authorize it. Click **Authorize Device**.

STEP 4

Go to MediaOnDemand.org on your computer

- Click **Sign In**.
- Scroll thru drop-down menu and select **Frankfort Public Library District**.
- Log in using your **FPLD card number** (all numbers, no spaces) and your **SWAN Catalog PIN**.

STEP 5

Once signed in, you can easily search for titles. But take some time to look at the advanced search features.

- Click **Advanced Search**.
- Under **Subject**, Select your genre of choice.
- Under **Format**, select **EPUB eBook**.
- Scroll all the way down and click **Search**.

STEP 6

In your search results, Books with a **Black icon** are available now. Books with a **Gray icon** are checked out. You can place a Hold.

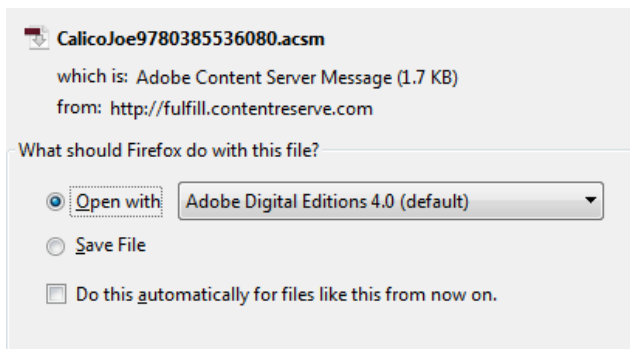

STEP 7

Click an eBook to select it, and then click **Borrow**. You will be redirected to your account Bookshelf.

STEP 8

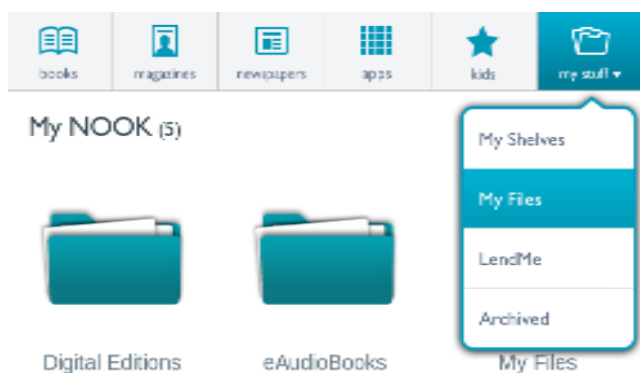

Click the **"Download (Select One Format)"** button. Check **EPUB eBook** and **Confirm & add to app**.

STEP 9

Open the eBook with Adobe Digital Editions.

- Click on **Library View**.
- **Click and drag** the eBook to your eReader listed under Bookshelves.
- **Eject** your eReader from the computer to avoid file transfer problems.

STEP 10

On your eReader, select **Library**.

- Select **My Stuff**.
- Select **My Files**.
- Select **Digital Editions** folder.
- Select **your eBook**.

OTHER TIPS

EXTENDED LOANS:

The default checkout time for eBooks and Audiobooks is 14 days. If you go to your **account** at Mediaondemand.org (the icon that looks like a guy) and click **settings**, you can change this to 21 days.

EARLY RETURN:

You can **Return** titles before your lending period expires. Go to your library in Adobe Digital Editions. **Right click** the cover of the book, and click **Return Borrowed Item**. You still need to manually delete the book from your eReader.

RENEWAL:

You have the option to renew a title if there are **no other holds** on it within **3 days** of its return date. You can do this on the Media On Demand **Bookshelf**.
